

Flexible, Personalized Online Learning for Student-Athletes

Engaging, award-winning courses and certified teacher support from Edmentum's EdOptions Academy

EdOptions Academy

We have partnered with Edmentum's EdOptions Academy to provide our students with a high-quality, truly personalized online learning experience that prepares them for success in college and beyond. EdOptions Academy, a trusted leader in virtual learning, has provided online learning opportunities to thousands of students since 1997. EdOptions Academy supports college-bound athletes with self-paced, flexible learning to prepare them for college and beyond.

"My favorite thing about taking virtual courses is working at my own pace. The pace bar really helps me stay on track in my classes, and I try to get ahead when I can. I text my teachers on a daily basis when I need help with some material."

—Riley, 11th grade student-athlete at EdOptions Academy

NCAA-approved courses

By partnering with Edmentum, school districts can use EdOptions Academy as a solution to offer nontraditional instruction to all students—including college-bound athletes. Through our NCAA-approved courses, students can schedule their learning around busy training and practice schedules, working at their own pace with guidance from their state-certified teachers.
