

EdOptions Academy

Human-centered virtual instruction to meet district needs

Expand course access and enhance teacher capacity with a customizable, sustainable, and standards-aligned virtual program. EdOptions Academy is a fully accredited K-12 online school that partners with your district to offer high-quality virtual courses with a relationships-first approach.

Students Stay in the District

Students' academic needs are met with flexible access that fits their unique interests, schedules, and goals.

Teachers Accelerate Success

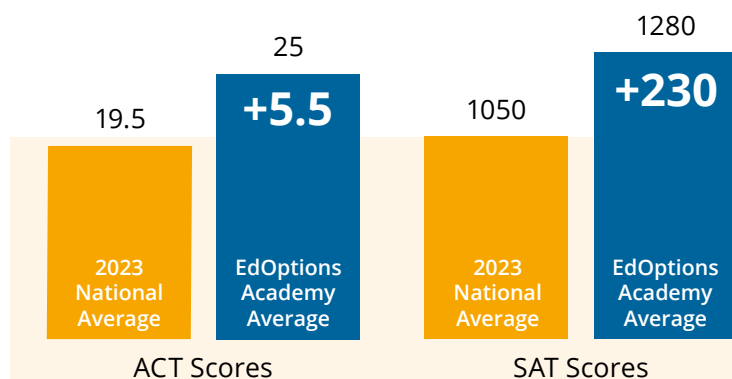

Course access and alternative pathways to graduation are expanded with over 500 core, AP®, CTE, and NCAA®-approved courses.

Administrators Meet Staffing Needs

School leaders partner with our state-certified teachers of record to keep learning on track and retain enrollments.

Customize a Transformative Virtual Learning Experience for Your Students

EdOptions Academy combines award-winning curricula with state-certified teachers, best-in-class learning technology, and holistic student-support services. We partner with your district to achieve diverse goals such as expanding course options and hosting an in-district program for students seeking flexibility.

Prepare Students for Success

Students enrolled in EdOptions Academy courses exceed national averages for achievement, and 95% of them report feeling that their virtual teachers care about their success.

EdOptions Academy helps you fill curriculum or scheduling gaps and keep students on track toward graduation. Establish an in-district virtual program with the customizable model that best fits your needs:

Flexible Virtual Learning

Allow students to decide where, when, and how school takes place.

Enhanced Virtual Learning

Teach full classes of students during the existing bell schedule.

Additional Services to Meet Student Needs

Expand opportunities for connection throughout the virtual learning experience with:

Virtual Tutoring

Flexible options and tailored instruction

Success Coaching

Tiered system of sustained support

Special Education

Supported curriculum and IEP consultants
