Accelerate Learning

Identify and close learning gaps

Apex Learning®

Used to:

Reduce learning loss

Identify and remediate learning gaps

Increase grade-level readiness

Boost student confidence

HOW IT WORKS

1 Ava's learning was impacted due to a pandemic.

2 Her teacher, Mrs. Griffin, provides a diagnostic pretest to identify her learning gaps. The pretest shows gaps in both grade-level mastery and gaps from previous grade levels.

3 Ava completes the modules assigned by Mrs. Griffin that provide personalized tutoring.. She may have these virtual options:

| Personalized Learning	Independent Study
Ava completes the modules and meets with Mrs. Griffin in-person or virtually for targeted instruction.	Ava completes modules from home.
Most Effective	**Somewhat Effective**

4 Ava takes a posttest to show learning gains.

OUTCOMES SPEAK FOR THEMSELVES

- ESSA Evidence Level: Demonstrates a Rationale

- 3 Years of Gain (2016-2019)

- Tutorials impact middle and high school student achievement

Prettest to Posttest Point Gain

School Years 2016-2017 through 2018-2019

English	Math	Science	Social Studies
28 Point Gain	**29** Point Gain	**23** Point Gain	**25** Point Gain

Apex Learning Tutorials significantly improved student performance on Tutorials posttest assessments across English, math, science, and social studies for three straight years.

THE RESULT

The Teacher

Mrs. Griffin is happy—Ava worked hard to learn and is back on track. The rest of this school year and next year will be a lot easier!

The Student

Ava has closed her gaps and is ready for the next grade.

> Ava has grit. At times she needs a lot of support, and I'm glad this gave her the time and practice she needed.
>
> So proud!

Mrs. Griffin, Teacher

> Thank. Goodness.
>
> I ♥ ♥ ♥ Mrs. Griffin!
