

Ahoy there! I'm Captain Chip. This treasure chest is filled with 3D riches. **Can you name the 3D shapes?**

Now it's your turn to try some treasure hunting.
Look around your school for each of the 3D shapes shown in Captain Chip's treasure chest.

Sphere

Square-based pyramid

Hexagonal prism

Cube

Triangular-based pyramid

Cuboid

Cone

Triangular prism

Cylinder

Can you find any other 2D or 3D shapes around the classroom?
